

The figure consists of two coordinate graphs side-by-side. The left graph is titled "Coordinate Graph - First Quadrant" and shows a green frog with pink hair and a red bow, holding a purple jump rope. The frog is positioned in the first quadrant, with its head at (2, 2) and its body extending to (4, 4). The jump rope is a loop that goes from (2, 4) up to (2, 8), across to (6, 8), down to (6, 4), and back to (2, 4). The right graph is titled "Coordinate Graph - Four Quadrants" and shows the same frog and jump rope, but centered in the four quadrants. The frog's head is at (2, 2) and its body extends to (4, 4). The jump rope is a loop that goes from (2, 4) up to (2, 8), across to (6, 8), down to (6, 4), and back to (2, 4). Both graphs have x and y axes ranging from -10 to 10.
