Winter

I like to build snow trains in winter. I make each train box different shape and let each train box carry a lollipops of different color. I make my snow train as long as a snake. I see it crawling up and down hills. I feel that I am the biggest engineer in the world.

Spring	Summer
In Spring flowers are blooming at a colour. I like to listen to birds singing they chirp as loud as a tiger. Small birds appear on trees they are as small as a toy. Lots of rain come in spring. The sky is warm. Daylight lasts about the same. The in spring	In Summer we go to the beach. I splash in the water as happily as a fish. The hot sun of summer is unbearable. The grass is as thin thick as a nightgown. The beach is very hot. The waves go up and down. People see the sunset.

Autumn	Winter
<p> The green leaves fall like a beautiful red and orange vision of the Farmers' market. Everything can see the sunset. The apples are as red as a tomato.
