A grid-based drawing of a recycling symbol, which is a triangle composed of three chasing arrows. The symbol is drawn on a coordinate grid with x and y axes ranging from 0 to 35. The word 'REDUCE' is written in a simple, blocky font across the middle of the grid. The word 'REUSE' is partially visible on the right side. The word 'RECYCLE' is written at the bottom. A large, bold, red 'SA' is overlaid on the right side of the grid, partially obscuring the recycling symbol and the word 'REUSE'.
