

Include 1st Quadrant & 4 Quadrants

The figure consists of two side-by-side coordinate grids. The left grid is titled "Coordinate Graphing - First Quadrant" and shows a witch's head and upper body drawn in the first quadrant. The right grid is titled "Coordinate Graphing - Four Quadrants" and shows the same witch, but her legs and tail are drawn in the third and fourth quadrants, creating a symmetrical figure. A large red "S.A.M." watermark is overlaid across both graphs.

Coordinate Plane – 1st Quadrant: Witch

Directions: Use the coordinates (ordered pairs) on the list to graph a picture. Plot each point, and then connect it to the next point. Color it.
