

Directions: Use the coordinates (ordered pairs) on the list to graph a picture. Plot each point, and then connect it to the next point. Color it.

[illegible]

Use the ordered pairs on the list to plot the figure. Plot each point, and connect the points in order. Color it.

Coordinate Graphing - Four Quadrants

The image is a coordinate grid with a blue background. The title 'INAUGURATION' is written in large white letters at the top. Below it, a brown book is depicted with a yellow cross on its cover. A large, light-skinned hand is shown with fingers spread, positioned over the book. The words 'HOLY BIBLE' are partially visible on the book's cover. A large red 'SAMPLE' watermark is overlaid on the bottom half of the graph. The grid has an x-axis and a y-axis, with the origin labeled 'Y' and 'X'.

Name: _____

©Diana Ma

Coordinate Graphing - Four Quadrants

The image shows a coordinate plane with x and y axes ranging from -10 to 10. The word 'INAUGURATION' is written in large, outlined letters across the top. A line drawing of a hand holding a book labeled 'HOLY BIBLE' is centered. Large red diagonal text 'SALE' is overlaid. The grid is used for plotting the drawing.
