Coordinate Graphing - First Quadrant

The grid is a coordinate plane with the x-axis labeled 'X' and the y-axis labeled 'Y'. The x-axis has major grid lines every 1 unit, labeled from 0 to 34. The y-axis has major grid lines every 1 unit, labeled from 0 to 49. A large, red, diagonal watermark reading 'SAMPLE' is overlaid across the grid.

Name: _____ ©Daring Minds

Coordinate Graphing - Four Quadrants

A coordinate plane with x and y axes ranging from -15 to 15. The grid lines are spaced at 1-unit intervals. The x-axis is labeled 'x' at the right end, and the y-axis is labeled 'y' at the top end. A large red 'SAMPLE' watermark is diagonally across the grid.

Coordinate Graphing - First Quadrant

A coordinate graphing worksheet for the first quadrant. The x-axis is labeled 0 to 30, and the y-axis is labeled 0 to 45. A cartoon Christmas tree is drawn on the grid. The tree has a green, spiky top, a brown trunk, a yellow star on top, and a smiling face with large eyes and a red mouth. A large red 'S' is drawn over the tree's trunk. A red gift box is at the bottom right, and a blue gift box is at the bottom left.

X

A coordinate grid for the first quadrant, ranging from 0 to 35 on both the x and y axes. A large, stylized Christmas tree is drawn on the grid. The tree has a star on top, a trunk, and several branches. A small house is drawn at the base of the tree. The grid is overlaid with a large, red, diagonal watermark that reads 'SAMPLE'.

Coordinate Graphing - Four Quadrants

A cartoon Christmas tree is drawn on a coordinate grid. The tree is green with a yellow star on top, two large eyes, and a red smile. It has a brown trunk and is surrounded by small houses (blue, red, and green) and a large red 'SALE' banner. The grid has x and y axes ranging from -10 to 10.
