Coordinate Graphing – Four Quadrants

The grid is a 20x20 square grid. The horizontal axis (x-axis) is labeled from -19 to 19. The vertical axis (y-axis) is labeled from -19 to 19. The origin (0,0) is at the center of the grid. The grid lines are spaced at 1-unit intervals. A large red 'SAMPLE' watermark is overlaid diagonally across the grid.

Cocaine Graffiti - First Quadrant

A black and white line drawing of a man's face, likely a portrait of a historical figure, overlaid on a grid. The drawing is partially obscured by large, bold, red letters spelling 'SAMI' diagonally across the image. The grid has x and y axes labeled from 0 to 35.

Coordinate Plane – 1st Quadrant: Washington

Directions: Use the coordinates (ordered pairs) on the list to graph a picture. Plot each point, and then connect it to the next point. Color it.

Coasting in Four Quadrants

A stylized black and white line drawing of a man's face, resembling a classical portrait, overlaid on a coordinate grid. The grid has x and y axes ranging from -30 to 30. Large, bold, red letters spelling 'SAMPLE' are superimposed diagonally across the image.
