

Learning Math through Fun Activities

A large grid with red diagonal text reading "SALE" across it. The grid has 35 columns and 35 rows. The text "SALE" is written in a large, bold, red font, oriented diagonally from the top-left to the bottom-right. The word "SALE" is repeated three times, with each instance shifted further down and to the right. The grid lines are thin and gray.

A blank coordinate plane with x and y axes ranging from -18 to 18. The grid is 36 units wide and 36 units high. Large red diagonal text "SAMPLE" is overlaid across the grid.

Coordinate Graph - First Quadrant

The image shows a coordinate graph with a grid. The x-axis is labeled from 0 to 35, and the y-axis is labeled from 0 to 45. A line drawing of a cat is plotted on the grid. The cat is facing right and has a long tail. A large red watermark 'LESK' is overlaid diagonally across the image.
